Remembrance Sunday

Last Sunday our magnificent choir sang at St. Leonard's Church Remembrance Service. An enormous thank you to all that took part and an even more enormous thank you to Miss Wheelhouse for all her hard work and dedication in preparing our singing heroes. I would also like to thank Amber Snow and Rylie Carpenter who gave their time for the school to lay a wreath and plant crosses at Newhaven Town Memorial; they did so with aplomb.

School Crossing Patrol

Mrs Hood (Maureen!) will be away for two to three weeks from Thursday 23rd November; there will be no School Crossing Patrol during her absence.

Book Swap

Thanks to the hard work of Mrs Kimmelman (thank you Mrs Kimmelman!) we are now able to offer a Book Swap opportunity to the children, the first being on Tuesday 21st November. A separate letter with more details will follow this home today. Please try to get your child involved; the more people that take part, the better the selection of books we can offer!

Science Club

Or Young Engineers' Club will be here at Denton soon – but we need more people to sign up otherwise the club will not be able to go ahead. All sessions are delivered by a specialist and will take place at Denton. Each session costs £7. If you would like your child to take part, you will need to register at www.stemkids.co.uk
Please speak to the School Office if you have any further questions.

PE Kit

Please make sure that your child always has PE kit in school for their PE days. Although we try to find kit for an emergency, we have a very limited supply and we want every child to be able to take part in every single PE session. Please note, if your child attends an after school club, we are unable to offer PE kit should they forget it.

I hope you all have a lovely weekend.

Yours sincerely,

Mr Guy Walsh
Headteacher
