Better Never Stops

29th April 2019

Dear Parents & Carers,

Welcome back from what I hope was an enjoyable and exciting Easter break.

Dates for the term

A separate letter will also be with you today sharing all the big dates for Terms 5&6.

Ofsted

As you will be aware we had an Ofsted inspection on 4th April! Thank you to all the parents & carers who took the time to complete the Parent View and to all the children that completed the online questionnaire. It was an intense day as the inspector spent time with me and Mr Kettle, showing them around the school and demonstrating the great work that the teachers and teaching assistants do at Denton. The inspector spent time with members of the leadership team, met with governors and spoke with parents. As well as speaking to different adults she spoke to the children too, in a meeting, in classrooms and out on the playground. As always, they were fantastic and they were all keen to speak to the inspector and tell her everything they loved about Denton – the children were clearly proud of their school and I was incredibly proud of them. The final report will be written in a letter which will be shared with you all as soon as it is released in the next couple of weeks.

Growth Mindset

You will have received an information sheet about our INSET day on Tuesday and the work we did as a staff on Growth Mindset. Please ask for a copy from the school office if you still need one.

Website address

I am told that some of you have had difficulties accessing our school website. The address is www.dentonprimaryschool.co.uk

The address www.denton.e-sussex.sch.uk will no longer work.

Please contact the school office if you require any further information.

Yours sincerely,

Mr Guy Walsh
Headteacher
