Christmas Performances

There is no point pretending otherwise any longer: Christmas is officially around the corner and so are our Christmas performances. Tickets for the performances are available from the School Office (a letter will be on its way to you very soon). If you have very young children that you need to bring with you, please get tickets for the dress rehearsals – many thanks. Class teachers will let you know about costumes, which need to be in school ready for dress rehearsals at the latest; please make sure costumes come to school in a named bag.

Christmas Lunch

Christmas lunch for pupils will be on Wednesday 13th December. You should have received a letter by now and it is vital that Christmas lunches are ordered by Monday 4th December at the latest. Please contact the School Office if you require any further information.

Guitar Lessons

We are delighted to announce that we have unearthed another guitar teacher! Tom Cheek will be offering guitar lessons from Tuesday 9th January. The lessons will be £6.50

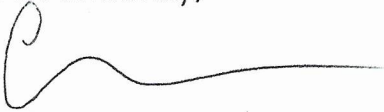

per session and your child will be taught in a very small group during school hours. If you are interested, please contact the School Office.

Science Club

Or Young Engineers' Club will be here at Denton soon – and this is your last chance to sign up! All sessions are delivered by a specialist and will take place at Denton starting on Thursday 11th January. If you would like your child to take part, you will need to register at www.stemkids.co.uk Please speak to the School Office if you have any further questions.

I hope you all have an enjoyable December weekend.

Yours sincerely,
