Better Never Stops

30th April 2021

Dear Parents & Carers,

Getting tested for COVID-19

If you have symptoms of COVID-19, Government guidance states:

Get a **PCR test** as soon as possible if you have any of these symptoms:

- a high temperature
- a new, continuous cough
- a loss or change to your sense of smell or taste

You and anyone you live with should stay at home until you get your test result. Only leave your home to have a test.

Anyone in your childcare or support bubble should also stay at home if you have been in close contact with them since your symptoms started or during the 48 hours before they started.

Please do not hesitate to contact me should you have any questions.

Yours sincerely,

Mr Guy Walsh
Headteacher
