Better Never Stops

11th March 2022

After school stall for Recycling, Re-use and Second-Hand School Uniform

Dear Parents & Carers,

The Newhaven Green Centre (NGC) and the Newhaven Uniform Bank will be running a stall together after school next **Tuesday 15th March 3.10-3.40.**

NGC will be running a 'freegle table', where you can leave things you no longer want but may be of use to someone else (like old books with a torn cover, unwanted shampoo bottles) and take other people's unwanted things for free.

We will also be collecting things for recycling that the council don't take like corks, broken toys, plastics and rags (clothes beyond repair) - providing they're clean and dry.

We are also working towards starting a 'sharing library' - something like a normal library, but where you can borrow useful household items like catering or camping equipment rather than buying it. We'd love to hear any ideas you have for useful items you would like the library to stock.

For this stall NGC is teaming up with Newhaven Uniform Bank. The Uniform Bank is a locally organised group who accept donations of quality, outgrown school uniforms (for all schools in Newhaven) and make it available to parents for free. They will have a limited selection of donated school uniform with them at the stall, and if you have any specific requests then please place orders with them by 7pm on Monday 28th Feb and they will try to accommodate you. Specially requested items will be available for collection from school reception from Tuesday 3pm. <https://forms.office.com/>

We looking forward to seeing you there!
