Better Never Stops

10th December 2021

Covid update

Dear Parents & Carers,

Rise in cases

Over the past week, we have seen a rapid rise in cases across the school, including positive cases in Year 2, 5 and 6, and amongst staff. Children are presenting with a range of symptoms (not just a cough or high temperature) before testing positive, including a headache. We also have a number of suspected cases in other year groups and are awaiting confirmatory PCR tests.

Testing

Anyone with symptoms should get a PCR test (not a lateral flow test – these are for asymptomatic testing only) and self-isolate whilst awaiting results.

Test and Trace

NHS Test and Trace are responsible for all contact tracing - and not schools - but I feel it only fair to keep you informed of the current situation. Therefore, next week, I will inform you of any further cases in school.

Yours sincerely,

Mr Guy Walsh
Headteacher
