School Streets

As you will already be aware, we are taking part in *School Streets* on Monday to mark the start of The Big Pedal and reduce levels of pollution around the school. Acacia Road and part of Denton Road will be closed at drop-off and pick-up times (8.00-10.00am and 2.00-4.30pm). A map showing the exact points of closure is also on its way to you today. **The will be a street party at the end of the school day and it would be great to see as many of you there as possible. There will be drinks and cakes on sale from FADS.**

We are encouraging everyone to walk, cycle or scoot to school on Monday. I appreciate for some of you, using the car will be unavoidable. Please have a look at the map to see the best place to park/drop-off. If you have any concerns please let us know and we will be very happy to help.

The Great Denton Bake-Off

On Friday 5th April (last day of term), FADS we will be holding the inaugural Great Denton Bake-Off. The theme is *Spring* and everyone/anyone associated with the school is welcome to enter. There will be Early Years, Key Stage One, Key Stage Two and Adult categories with prizes available for the winners. All of the cakes/bakes will be available to buy at the end of the day from the Key Stage One playground.

Building work on Denton Road

As you will be aware, there is building work happening on Denton Road at the moment. There has been and will be a constant flow of very large vehicles arriving at and leaving the site. Please take extra care near the site entrance. Thank you.

Plea for help...

If anyone has any old children's football boots, they would be very gratefully received.
Thank you.

Please contact the school office if you require any further information.

I hope you all enjoy a pleasant weekend.

Yours sincerely,

Mr Guy Walsh
Headteacher
