Sports Results

Further action for some of our football teams this week...

Our Year 5/6 team lost 5-1 to a very strong Peacehaven Heights side. However, the result does not always tell the full story! We improved enormously as the game went on and after a difficult first half, we fought hard to ensure the second was a very competitive and exciting affair. And well done to George for a fantastic goal!

The girls' team took part in the annual Haven's Football Tournament at Seahaven Academy and finished third overall. We won one game, drew two and lost one, conceding just one goal all tournament. Well done to Chloe for her fantastic goals!

Children in Need

It is now officially a Denton tradition to decorate the school office to raise money for Children in Need. This year, Mrs Vidler has prepared a teddy bear to be taken home, decorated and then put up in the office. If you wish to take part, your child can collect a small bear (50p) or a large bear (£1) from Mrs Vidler; all monies raised will be passed on to the charity.

Poppy Appeal

Our Poppy Appeal for this year has now arrived in school and is at the school office for anyone wishing to purchase a poppy. There are also rulers, rubbers, pencil sharpeners and key rings for anyone wanting something a little different. The children are

welcome to bring in donations next week; some of our Year 6s will be touring the school each day with the poppies for sale.

Wrap up warm!

Now that our more traditional autumnal weather is finally upon us, please make sure your child has a coat in school every day. Hats, scarves and gloves in the playgrounds are always welcome if needed.

I hope you all enjoy any Bonfire Night celebrations you may be treating yourselves to.

Please contact the school office if you require any further information.

Yours sincerely,
