Better Never Stops

20th January 2017

Dear Parents and Carers,

Welcome to the end of what has been another very exciting week.

Sports Results

Enormous congratulations to Kelly Rowe and Amelia Brown who have made it through two gruelling preliminary rounds to qualify for the Sussex Schools Cross Country Finals on Saturday 11th February. They ran magnificently and we wish them well for their toughest challenge yet!

Dates for Next Week

Wednesday 25th January – Year 4 to St. Leonard's Church

Thursday 26th January – Starfish Class Assembly (9.10am)

Please contact the School Office should you require any further information.

If you missed all the important dates for Terms 3 and 4 in our previous newsletter, it can be found on the school website, both on the homepage and under the Newsletters tab: <http://www.dentonprimaryschool.co.uk/website>

Contact Details (a reminder!)

We hope to do our bit for the Amazon rainforest in 2017 by sending out fewer paper copies of letters. Instead, we will email letters, starting with weekly newsletters, directly to you as well as continuing to make them available on the school website. So that we send them to your correct email, please email Mrs Vidler at:

contactus@denton.e-sussex.sch.uk

Eventually we hope to email all correspondence wherever possible, as well as publishing the information on the school website. We aim to have the system up and running for weekly newsletters by the end of January. Thank you for your support!

Please contact the School Office if you wish to continue to receive paper copies of newsletters.

Parent Forum

Thank you to all those who attended the Parent Forum on Monday 9th January. The next meeting will be at 2.30pm on Monday 6th February. Please contact the School Office if you would like to attend.

Brighton Science Festival

This fantastic annual event takes place during February half-term at venues all over Brighton and covers all things science. Visit www.BrightonScience.com for more information.

Mums' Netball

Mums' netball was very well attended yesterday (in the dark!). For the remaining winter months, Mrs Savage would like to adjust the time to a 4.35pm start, finishing at 5.35pm.

I hope you all enjoy a fantastic weekend.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Guy Walsh', with a long, wavy horizontal line extending to the right.

Mr Guy Walsh
Headteacher
