New ideas:

We've agreed to start a monthly info letter to keep everyone up to date with events and what's going on for the future.

Newhaven is holding its first pram race on 22nd April. We wonder if any dads, step dads, grandads, big brothers would be interested in building a pram?? Would also need a team (Team of 3. 13 yrs. or older) We are also looking at the possibility of having a tombola stall, so if anyone is interested please get in touch with one of us or Jodiee Baker if you can help.

We are also looking at holding a family cinema night. Clare is sourcing information on licence for this, so more details to follow.

We've had the idea of a photo booth put to us for DDC with props a backdrop and donation bucket. This is still in discussion as to how it would work. Any suggestions very welcome.
