Clothing in school

Please make sure the children wrap up warm for school. As per current government guidelines, we have to keep fresh air circulating around school and classrooms all day, every day. We have all the heating on, are trying our very best to ensure classrooms remain comfortable learning environments, and the children are very welcome to wear extra layers underneath their uniform if needed. Thank you for your support with this.

If you require any further information, please contact the school office.

I hope you all have a good weekend.

Yours sincerely,

Mr Guy Walsh
Headteacher
