## Ofsted Report

Dear parents & carers,

It gives me great pleasure to write to you with our most recent Ofsted inspection report. As you are aware we were visited by Ofsted on Tuesday 12<sup>th</sup> and Wednesday 13<sup>th</sup> November. **The report confirms that Denton continues to be a GOOD school in all areas.**

I would like to take the opportunity to praise and thank the entire staff team who work relentlessly to provide a safe, nurturing and engaging learning environment for our children. The inspector commented how dedicated and skilled the staff were in support each and every one of our children.

I would also like to thank you as parents and carers who are a key stakeholder in the Denton community. The inspector shared some of your lovely comments with the leadership team and it was heart-warming to hear how much the school means to you all.

Finally, thank you must go to the stars of the show who were our children. They really did show the inspector Denton at it's beautiful best. The inspector used words such as 'joyous' and 'happy' on many occasions when he was feeding back to us. I believe the first line of the report sums it up perfectly: **"pupils love learning at this inclusive community school"**.

Enjoy reading the report attached to the Ping. [A copy will also be made available on our school website.](#)

Best wishes

Matt Doody
