🌞 Weekly Round-Up 🌞

Thank you for attending parents' evening

A huge thank you to everyone who joined us this week. It was lovely to see so many of you engaging with your child's learning and celebrating their progress. Your support makes a real difference!

🚲 Cycle to school week success

Well done to all the children (and families!) who took part in Cycle to School Week. We were out on the gate with stickers and smiles each morning, and it was fantastic to see so many bikes and scooters arriving at school. Keep pedalling!

❤️ Restart a heart assembly

On Wednesday, children took part in a powerful Restart a Heart assembly, delivered online by the Kent, Surrey & Sussex Air Ambulance Charity. They learned how to call 999, recognise the signs of a cardiac arrest, and even had a go at hands-only CPR. Life-saving skills in action!

🐟 Starfish assembly & turtles coming up!

Thank you to Starfish Class for their superb assembly on Thursday — such confidence and recall of your knowledge all about the Tudors! We're looking forward to Turtles Class next week. Please note: due to the PGL trip, their assembly will take place on Monday at 9:00am.

🚌 Trip-Tastic week!

It's been a busy week for school trips!

- Year 5 enjoyed a fascinating visit to Anne of Cleves House, diving into Tudor history.
- Our Cove children had a brilliant day out at Drusillas Park, exploring animals and attractions with smiles all around.

🎧 Silent disco fun – thank you FADS!

A massive thank you to FADS for organising this evening's Silent Disco to raise money for school funds. We're so grateful for your energy and creativity — the children are in for a treat!

🌞 Welcome!

Finally a huge welcome to our newest member of the team Miss Melissa Tsapparelli who has joined our wonderful Cove team to work as a Teaching Assistant. We are delighted she has joined Denton.

Celebration Assembly – Friday 17th October

These children were recognised in whole school assembly for their over and above learning this week.

Year 1 – Olivia Carey

Year 2 – Brenden Blaiklock

Year 3 – Jurek Janiak

Year 4 – Ethan Chipchase

Year 5 – All of Starfish!

Year 6 – Caitlin Russell

Our attendance for **this week**:

Whole school: 98.1%

Reception: 99.6%

Year 1: 98.3%

Year 2: 94.8%

Year 3: 97.5%

Year 4: 99.7%

Year 5: 98.4%

Year 6: 98.5%

Attendance Matters

Congratulations
Year 4...just
0.1% in it!

The children have absolutely loved playing with the old keyboards and computer equipment donated during our recent **Parent Stay and Play** event! We've seen some fantastic imaginative play — children pretending to be **hotel receptionists**, **tour operators**, and **office managers**. It's been wonderful to watch their creativity come to life! If you have any more equipment like this that's no longer needed, please consider donating it to the school.

Coming soon...

I am delighted to inform you that our wonderful FADS have agreed to fund the installation of some cycle and scooter pods on the two playgrounds. This will provide a safe storage space for children who cycle or scooter to school. Thank you FADS!

Poppies on sale from next week

From next week, the school office will be selling poppies in support of the Royal British Legion. Children are welcome to bring in a small donation to wear a poppy with pride as we approach Remembrance Day.

Secondary School Applications

Just a quick reminder that the deadline to apply for a **secondary school place** for September 2026 is **Thursday 31st October 2025**.

HENRY – Healthy Lifestyles programme

East Sussex School Health are running a new 8 week programme for parents and carers with children aged 5 – 12 focusing on helping families adopt a healthier lifestyle. We've attached the flyer and further details are at [HENRY | East Sussex](#).

East Sussex
School Health Service

The School Health Service takes over from the Health Visiting Service when a child is of school age.

Our nurse-led friendly team can help with:

- sleeping problems
- emotional health and wellbeing
- wetting the bed and day wetting
- healthy eating and healthy weight
- worries and troubles – including changing schools
- self care and hygiene
- referrals to other services for more complex health needs.
