Spring Term 3 Week 1

Friday 9th January 2026

www.dentonprimaryschool.co.uk

Kind
Resilient
Respectful

Happy New Year and welcome back to all our families!

I hope you had a wonderful Christmas break. It's been lovely hearing from the children about their holidays and the special moments they shared with their families. Now that we're back, it's time to dive into some exciting and important learning. The spring term is always a favourite as it's when everything really starts to come together, and the children feel settled and confident in their classes.

We're thrilled to welcome Kieran from Albion in the Community Foundation, who will be joining us every Tuesday. He'll be working alongside our teachers to develop their knowledge and expertise in delivering the PE curriculum. Initially, Kieran will focus on Years 3 to 6, before moving on to support our younger year groups later in the term.

Year 4 have kicked off their swimming lessons a little earlier than usual this year, as the pool will be closing for refurbishment in February. We're delighted they've had the chance to get started before the works begin.

Finally, a quick reminder: please book your appointment for parents' evening if you haven't already. We've sent the dates out early to give you plenty of notice, and details on how to book can be found on the next page. Also, keep an eye out this week for your child's curriculum topic map, which will give you an overview of what they'll be learning this term.

Here's to a fantastic spring term full of progress, curiosity, and achievement!

Celebration Assembly – Friday 9th January

These children were recognised in whole school assembly for their over and above learning this week.

Year 1 – Oliver Prior

Year 2 – Brenden Blaiklock
