## New catering provider – coming September 2026

Dear parents/carers,

We're excited to announce that from September the children will be receiving their lunch from a new catering provider and we wanted you to be informed about the changes that are taking place.

### Who are the new catering provider?

[PS Catering](#) bring many years of experience in providing high-quality school meals and have an excellent reputation for delivering nutritious, balanced food that children enjoy. Their approach focuses on healthy eating whilst creating positive lunchtime experiences. We are particularly proud to share that PS Catering use a range of locally sourced ingredients, helping to ensure fresh produce whilst also supporting local suppliers. We have included a release from them at the end of this letter.

### Why are we changing?

The contract with the current provider expires this term. A local consortium of six primary schools have worked together to appoint a new catering company following a rigorous tendering process. This included visiting schools where the companies are already operational. We also had a food tasting day with staff, governors and children from partner schools. PS Catering was the unanimous favourite, offering superb food and service.

### Do I need to do anything?

Not at this stage. Menus, allergen details and ordering information will be shared before the summer holidays and again in September. On **Thursday 2<sup>nd</sup> July** we invite families to come and taste some of the food which will be offered. PS Catering will be available in the hall from 2:45pm handing out free taster pots and there will be a member of staff to answer any questions you might have. You might like to come along before you pick your child up to speak with them or alternatively bring your child along at 3:10pm when the children have been released to you. In addition, PS Catering are hoping to attend our new Reception parent meeting on Thursday 25<sup>th</sup> June.

I will write to you again before the summer holidays to confirm the menus and the process for ordering your child's lunch so that you're well prepared for September. Thank you for your continued support.

Best wishes

Matt Doody  
Headteacher

IN  
PARTNERSHIP  
WITH

DEAR DENTON COMMUNITY PRIMARY SCHOOL PARENTS,  
TEACHERS AND THE WIDER COMMUNITY...

We are delighted that Denton Community Primary School have chosen us to be your **NEW** caterers from 1st September 2026. In partnership with the school we plan to transform the catering for your children. Our joint aim is to provide all children at school with tasty hot lunches.

All of our meals will be cooked on site by our team using fresh local produce and will feature dishes from around the world as well as family favourites.

All meals will be fully compliant with current government guidelines for healthy schools with a range of healthy options for your children to choose and try everyday, including a brand **NEW** salad bar.

If your child needs a medical special diet please contact the school for the forms that need to be completed and returned to us.

We very much look forward to being part of your community and look forward to meeting you at school events and open days.

*It's all about you...*
