Friday 17th July

An update from PS Catering

Dear Parents and Carers,

As you will be aware from my letter sent on Tuesday 2nd June, the school will be changing catering providers from September to a company called PS Catering. As part of this transition, there will be a slight change to the way school meals are ordered and paid for.

You will recently have received an email from Arbor asking you to create an account. Please ensure this is done before the children return to school in September, as you will need to use Arbor to pay for your child's school meals, trips, donations and other school-related payments.

Payment for school meals will be taken from your Arbor account. In order for your child to receive a meal, there must be sufficient credit available in your account.

Children in Nursery, Reception, Year 1 and Year 2 receive a free meal under the Government's Universal Infant Free School Meals programme.

From Year 3 onwards, if your child is not entitled to free school meals, you will need to ensure there are sufficient funds in your account for them to receive a school meal.

We will send out the menu before the children return to school. Children will order their food on the day. PS Catering is keen for children to see the food available at the counter before making their final choice.

However, at the start of each day, we will ask them to select one of the following three options:

- Main course
- Vegetarian option
- Pasta or jacket potato

I will write to you again before the children return to school in September with a reminder of the information above.

Best wishes

Matt Doody
Headteacher
